## Why Study in India

- **Opportunities Galore:** The third largest higher education network of the world.
- **Global Acceptance:** Students educated in India are top choices for the leading global companies.
- **Quality Education:** Various statutory bodies like AICTE, UGC, NAAC etc. are always vigilant to ensure quality.
- **Medium of Instructions:** English but **IELTS or TOEFL score not needed.**
- **The Cost Factor:** International standard campuses – quality delivery and infrastructure at an affordable cost.

A stable political environment, safety of students and unlimited opportunities to learn from the rich traditions of the country make India a very important overseas education destination – a perfect home away from home.

<b>Intakes</b>	Traditionally only one. During <b>June – August</b> . Depends on the respective institutes.
<b>When to Apply</b>	A student should apply at least <b>five to six months</b> in advance to avoid the last minute rush.
<b>Institutions</b>	<b>1000+</b> Universities, <b>41000+</b> Colleges, <b>400 +</b> International Schools. Millions of Seats.
